A-LEVEL AND BTEC (LEVEL 3) RESULTS DAY – THURSDAY 15TH AUGUST 2024

Dear Students and Parents,

All students will receive their results in an email to their school email account by 8.30am on **Thursday 15th August 2024**. The Academy will not be open for results collection.

Attached to this letter is a guide on how to access the AS, A-Level or BTEC results on the day. We will be posting a hard copy of the results to you on the same day.

If you have any queries before the results day, please do not hesitate to contact me by e-mail: lhrabankova@hammersmithacademy.org or telephone 0208 222 6226.

If you do not get the grades required to meet your university offers or if you want to change your choice, you may decide to go into UCAS Clearing. You can check all available courses in Clearing on UCAS from Monday 5th July. Please read the enclosed Clearing Information leaflet so that you are well-prepared.

We know that students may have questions and concerns on the day and will be running our very successful virtual Clearing support again this year. You can contact the **HA Results & Clearing Support Hotline from 8.30am – 2pm on Thursday 15th August, via Microsoft Teams**. To access this on results day, please email Y13results@hammersmithacademy.org with a short explanation of your query and a contact number in case we can't get hold of you on MS Teams. Your email will be logged by Admin and the Careers team will call you either on your mobile or on Teams to talk things through. We will keep a note of the conversation so that if you email again for further support a different member of staff will be able to help you if necessary.

Remember, your school email addresses will be de-activated at 6pm on Friday 23rd August 2024. To stay connected and receive important communications, it's crucial that you update your details on UCAS and Student Finance with a personal email address.

This will also allow us to include you in our alumni programme for future social and networking opportunities.

Yours faithfully,

Lucie Hrabankova
Data & Exams Manager
