A message from the Headteacher, Gary Kynaston

"In my experience of working in inner-city education, and my own time at school, I sometimes saw an attitude that assumed some people 'can't do', and I knew this was wrong. I see that people, of any age, will respond to clear boundaries and clear vision. If you show your students you have belief in them and encourage them to have belief in themselves, their confidence grows and they surprise themselves with what they can achieve. Our students will leave school not only academically qualified, but confident, mature and ready to prove themselves".

GCSE Results 2026

Hammersmith Academy is celebrating another strong set of GCSE results, with students placing the Academy in the top 10% nationally for value added, rising from the top 15% last year and demonstrating the exceptional progress students make throughout their time at the Academy.

This year, 80% of all grades were awarded at 9–4, with 66% at 9–5 and 27% at the highest grades of 9–7. In the core subjects of both English and Maths, 65% of students achieved grades 9–5.

The results are particularly significant given Hammersmith Academy's fair-banded admissions, which ensure the Academy admits students across the full range of academic ability. Despite these varied starting points, the Academy ranks in the top 10% nationally for value added across every prior attainment group, as well as for disadvantaged students, and both girls and boys.

Put simply, this means that this year, students at Hammersmith Academy achieved, on average, at least one grade higher in all subjects than their starting points would predict.

Standout performances were seen across the breadth of the curriculum. In the Sciences, 100% of Physics grades and 80% of Biology and Chemistry grades were awarded at 9–4, while Media, Drama, Art, History and Combined Science all achieved at least 75% at 9–4. Further highlights included 80% of Spanish and 60% of Maths grades at 9–5, while 43% of English Literature grades were awarded at 9–7.

These results provide strong academic foundations for students' next steps, while reflecting the Academy's wider commitment to developing the skills, confidence and ambition they need to achieve real world success.

GCSE Standout Successes

- Isaac was the Academy's top scoring student achieving 8 grade 9s, a grade 8, 2 grade 7s. He commented, "I was completely shocked when I saw my results. English Literature shocked me the most as I had completely believed I was going to get a 6. It felt immensely satisfying considering all the work I had put in. All of my teachers were amazing and I'd say joining Hammersmith Academy is 100% the right decision – the Academy has helped me every step of the way."
- Deksan attained an impressive 6 grade 9s, 3 grade 8s, 1 grade 7, 1 grade 6. She said, "I felt quite exhilarated when I saw my results, and slightly shocked by quite a few of them! It cemented that my hard work really had paid off. My teachers have always been a supportive anchor, providing resources and encouragement that kept me going. The careers focus also gives students great opportunities to learn about their next steps and different pathways."

- Endrit received 6 grade 9s, 5 grade 8s. He said, "I was shocked to see only 8s and above and was really pleased with my consistency across all subjects. I was most proud of my grade 9 in Further Maths. My teachers were always there to help, whether giving me practice papers or answering questions, and always left me feeling more confident for each exam."
- Neil secured a total of 5 grade 9s, 4 grade 8s. He explained, "The nerves were so overwhelming that I couldn't even open the results myself. My parents opened them and seeing how happy they were became the most important part for me. The teachers at Hammersmith Academy were incredible and always found time to support me one-to-one. The Academy pushes you to achieve your best and become a more confident and well-rounded person."
- Yaseen reached 6 grade 9s, 3 grade 8s, 1 grade 7. He added, "I was completely shocked when I saw my results, particularly English Literature. It was immensely satisfying knowing how much work I had put in. My teachers were amazing and supported me throughout. I'd 100% recommend Hammersmith Academy, it has helped me every step of the way and given me so many opportunities to prepare for my future."
- Xela was awarded 2 grade 9s, 1 grade 8, 8 grade 7s, 1 grade 6. She explained, "I was nervous and excited opening my results and was really happy with my Maths and Computer Science grades, as I had improved from my mocks. My teachers supported me by staying after school and running sessions during the half terms. Hammersmith Academy has also given me so many opportunities, from work experience at an engineering consultancy to university taster days and volunteering, helping me develop the skills I need to succeed in the future."

Headteacher, Gary Kynaston, said:

"These results reflect the hard work and ambition of our students and the dedication of our staff. As a fair-banded school, we educate students from across the full range of academic starting points, so to rank in the top 10% nationally for value added, with students achieving on average at least one grade higher in all subjects than their starting points would predict, is something we are extremely proud of.

We are equally proud of the breadth of our curriculum and the strong results across core, academic and creative subjects. Every student has different strengths and talents, and it is important that our curriculum gives them the opportunity to discover, develop and excel in them.

GCSE success provides an important foundation, but our ambition goes much further. We want every student to leave Hammersmith Academy with the knowledge, confidence and opportunities to take their next steps and ultimately achieve real world success."

A-Level Results 2026

Hammersmith Academy Sixth Form is celebrating another strong set of A Level and BTEC results, with A Level performance rising across every headline grade measure and students securing places at leading universities including Cambridge, Edinburgh, Warwick, Bath, Imperial and King's College London, alongside increasingly desirable and competitive apprenticeships including BAE Systems, British Airways, Deutsche Bank, Constructions Logistics Group and Ofcom.

This year, the overall A*–E pass rate reached 100%, with 80% of grades awarded at A*–C, 56% at A*–B and 21% at A*–A.

The results build on the Academy's strong Sixth Form performance, with A*–C grades rising to 79% (from 73% last year), A*–B grades increasing from 51% to 56%, and A*–A grades rising from 20% to 21%.

There were exceptional performances across a broad range of subjects, with 100% of grades in both Spanish and Media awarded at A*–B, alongside 87% in Sociology, 83% in Psychology and 75% in Economics.

At the very highest level, 40% of Spanish grades and 38% of Psychology grades were awarded at A*–A, while 33% of grades in Maths, Further Maths and Sociology achieved the same top grades.

Students on vocational and mixed pathways also achieved outstanding outcomes, with 96% at Distinction*–Merit and 60% at Distinction*–Distinction. Business achieved 100% Distinction*–Merit, with 68% at Distinction*–Distinction, while Sport and Applied Science achieved 80% Distinction*–Distinction.

Whether students choose an academic or vocational pathway, Hammersmith Academy Sixth Form has the expertise and opportunities to help them achieve real world success. The Academy has invested significantly in specialist Careers and University support, with two dedicated experts providing personalised guidance alongside university visits, employer encounters, careers workshops and an extensive network of partners, preparing students for ambitious next steps beyond Sixth Form.

Hammersmith Academy has some of the best teachers for supporting you through your academic journey, especially if you're unsure about what you want to do in the future."

- Ellie takes up her place on a highly competitive degree apprenticeship in Construction Management with Construction Logistics Group. "I enjoyed academia, but through the opportunities the Careers Team gave me, I realised I was much more drawn to the practical world. They introduced me to an industry and career I didn't even know existed and encouraged me to take opportunities I would never have considered myself. I genuinely don't think I would have the confidence and ambition I have today without Hammersmith Academy Sixth Form." • Calum Rojas also found success on a Broadcast Engineering apprenticeship with Ofcom.

- Two students, Numair (A*AA) and Anas (AABC) go on to Imperial College London to study Economics, Finance & Data Science. Numair added, "I initially wasn't sure whether university or an apprenticeship was the right route for me. The Careers Team encouraged me to keep an open mind, explore my options and understand which pathway best suited my ambitions. Their support and feedback helped me strengthen my application and ultimately apply to my dream university. My advice to other students would be to stay open-minded and take advantage of the guidance available to you."

- Leyla earned ABB and will head to Queen Mary University of London to begin a Hispanic Studies & Politics course.

- Tegan achieved AAB and will begin her studies at the University of Edinburgh to read Social Anthropology & Politics. She exclaimed, "I opened UCAS and saw that I'd been accepted into Edinburgh and immediately started crying – I was so happy! It's an amazing feeling to achieve something I wanted so badly. One of the best pieces of advice I received was to keep an open mind and explore courses I might not initially have considered. I'm now going to study one of those courses and actually prefer it to what I originally had in mind. My teachers genuinely wanted me to succeed and were always there whenever I needed support."

Headteacher, Gary Kynaston, said:

"These results reflect the ambition, hard work and resilience of our students, supported by the expertise and dedication of our staff. We are delighted to see another strong set of results, with A Level outcomes rising across all of our headline grade measures and exceptional performances across a broad range of subjects."

"For us, success is ultimately about where these results take our students next. Developing character and a growth mind-set - Be better than you thought you could be

Good character development coupled with academic success is essential to a high-quality education. We succeed by developing a growth mind-set through the skills of resilience in the face of challenge, resourceful when solving problems, reflective when evaluating progress and reciprocal when working in teams. To be fearless when striving for excellence and contributing positively to life in a global society.

We want each individual to be better than they thought they could be. We believe everyone is powerful beyond measure and capable of extraordinary achievements. We expect more from ourselves and each other in our drive to be the best and are 100% committed in everything we do. We constantly challenge students to push their limits, to work hard, to be resilient and inspire each other to *outstanding* success.

We expect the same from all adults. That they are determined and committed to be the best they can be, demonstrate a 'can do' attitude and transmit these expectations to the students.

Knowledge is power

Knowledge creates power. First, Intellectual power - primarily through the core disciplines of literacy and mathematics which are the building blocks in accessing a successful life. Second, Economic power - a deep understanding of the links between self-management and problem-solving skills in becoming rounded and grounded in preparation for the world of work and thirdly, Social power - developing our social and moral responsibility as active citizens.

We prepare students for successful lives through a stimulating and engaging curriculum where our practices mirror those found in the wider world of work. Using a broad experiential approach, students are given the opportunity to make choices, take responsibility for their learning and accelerate their interests in greater depth.

Developing a thirst for knowledge through inspirational teaching is powerful. Its value is limitless. It enables students to absorb challenging concepts and develop the skills of critique, analysis and evaluation.

Leading is achieving

Leadership is central to our ethos of success as an individual, a team and a learning organisation. We work closely together to improve. We consistently look to enhance the quality of what we are doing and seek inspiration from inside and outside the Academy.

Our students are future leaders who develop a clear sense of ownership and pride in their own performance which empowers them to support others. We expect students to value and celebrate success and champion their community.

All adults are expected to lead and to build a performance culture. In every action, attitude and expression, they set direction and expectation. Every adult is trusted to act with integrity and take personal responsibility to do the right thing for the students.
