Accessing Your Results

Go to **outlook.com** and sign in with your academy email address and password. Once you are logged in you will see an encrypted email from Data Team that has your results.

The screenshot shows the Microsoft sign-in interface for Hammersmith Academy. It is divided into two steps:

- Step 1:** The Microsoft logo and 'Sign in' text are at the top left. A red circle with the number '1' is next to the text 'enter your HA email address' inside a text input field.
- Step 2:** The text 'Hammersmith Academy' is at the top right, with a red circle containing the number '2' next to it. Below this, the text 'Sign in with your organizational account' is followed by two text input fields: 'your email' and 'enter your account password'. A 'Sign in' button is located at the bottom right.

Other visible elements include a 'Next' button at the bottom of the first step, and links for 'No account? Create one!', 'Sign in with a security key', and 'Sign-in options'.

Contact the Exam Officer Ms L Hrabankova if you require further information.

POST RESULTS SERVICES

Reviews of Marking

All Reviews of Marking (RoM) should first be discussed with the relevant Head of Department who will advise on the viability of such a request. We always ask students and family to pay in the first instance however should an overall grade go up then the academy will reimburse this cost.

In the school's experience, it is unusual for marks to change upwards by more than a marginal amount. However, the school reviews the marks that your child and others have achieved and will advise candidates if we feel there is an anomaly and that the paper should be reviewed.

Review of Marking categories are as follows:

SERVICE 1 CLERICAL CHECK

This service included the following checks:

That all parts of the script have been marked. The totalling of marks. The recording of marks. The application of any adjustments. The application of grade thresholds. The application of any special consideration, where applicable (indicate on form). The outcome of the re-check will be reported along with a statement of the total marks awarded for each unit/component included in the enquiry. The target for completion is within 20 calendar days of exam board receiving request.

SERVICE 2 (Mark review)

This is a post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly. The service is available for externally assessed components of both unitised and linear specifications.

The deadline for completion is within 30 calendar days of the awarding body receiving the request. This service will include:

- ☑ the clerical re-checks detailed in Service 1;
- ☑ a review of marking as described above;
- ☑ if requested, a copy of the reviewed script(s) for those units/components included as part of the Access to Scripts service. (If the nature of the unit/component is such that access to scripts cannot be arranged, such as externally assessed GCE AS and GCE A2 Modern Foreign Language Speaking tests, then a report/copy of the record sheet may be requested. Awarding bodies will advise centres of the mechanism by which reports may be requested.)

PRIORITY SERVICE 2P (Mark review)

This service is as Service 2. However, it is only available if a GCE A-level candidate's place in higher education is dependent on the outcome.

Any applications not meeting these criteria will be treated as normal Service 2 requests. The deadline for completion is within 18 calendar days of the awarding body receiving the request.

ATS (Access to Script)

A photocopy or the original of the student's script.

CERTIFICATES

Exam Certificates will be available for collection in November/early December. Further information will be provided to all candidates.

ALL CERTIFICATES ARE POSTED USING A 'SIGNED FOR' SERVICE.

JCQ regulations state that certificates should be kept for 12 months. If they remain uncollected they may be disposed of securely.

Certificates are important documents. Most educational institutions and potential employers will ask to see your original certificates. If you lose or fail to collect your Certificates, you will need to obtain duplicates from the relevant Awarding Body. The Awarding Bodies no longer replicate certificates unless you can prove they were destroyed by theft, fire or flood; they will only issue a Statement of Achievement. This currently costs in the region of £40.00 per 'Statement of Achievement'.

Notice to Centres

Unclaimed Certificates

The Awarding Bodies have agreed to implement a standard procedure for dealing with unclaimed certificates.

Centres may destroy any unclaimed certificates by a secure method (for example by shredding or incineration) after holding them for a period of 12 months from the date of issue. A record of all certificates destroyed by a centre should be kept for a further period of four years from the date of their destruction.

Any queries concerning the destruction or secure disposal of unclaimed certificates should be directed to the awarding body that issued the certificates.
