## NON-EXAMINATION ASSESSMENTS

Dear Parents,

As you will be aware, some qualifications require your child to undertake Non-Examination Assessments (NEA) which are marked internally by teaching staff before being sent to the examination boards for moderation.

Once your child's work is marked and standardised, they will be made aware of their marks for this part of the course. If your child believes that the assessment criteria has not been correctly applied to their work, they will have a period of time from the publication of NEA results to request a review of the Academy's marking.

Students must apply in writing using the NEA appeals form (available from the Exams Office) before the subject appeals deadline, explaining fully on what grounds they wish to request a review of centre-assessed marking. All requests must focus solely on the quality of the work submitted, no other factors will be taken into consideration. All completed NEA appeals forms must be returned to the Examinations Officer (not the subject teachers). No appeals will be accepted after the specified deadline (see below). The cost per appeal will be charged at £50. This will be refundable should the mark(s) go up.

Your child will be made aware of the outcome of any appeals via their school email address by the subject *outcome of appeals deadline* set out below.

**Please note that any review of marking can result in marks going down as well as up, and the reviewed marks are those which are sent to the examination boards with no exceptions.**

I would like to take this opportunity to remind parents and students that a significant proportion of non-examination assessments are sent to examination boards for moderation (this is normal practice and ensures centre marking is in line with national standards). Therefore, any **marks issued by the Academy are subject to change by the examination boards and should be considered provisional.**

The NEA policy is available on our website <https://www.hammersmithacademy.org/information/exam-information/>

If you have any concerns regarding these new regulations please do not hesitate to contact me at [hrabankova@hammersmithacademy.org](mailto:hrabankova@hammersmithacademy.org).

Yours faithfully,

Ms Hrabankova  
**Data & Exams Manager**
